

HOUSING

SUPPORT SERVICE

How our service has supported residents in Oxfordshire to keep a roof over their heads in the last 3 years...

99% of clients were supported in avoiding eviction

£128k

was generated in income for service users per annum

99% of referrals were assessed within 3 days

£21 million

has been saved in public funds by keeping these clients off the street

Homelessness prevention is massive. There are so many things that Connection Support have been able to do which have stopped tenancies ending.
